

HARDWARE Rental Guide

Hardware Reservation Instructions

- Identify the hardware needs of your organization.
- Complete the order form. Include the first and last date that you will need the equipment
 - Complete the form on the rental reservation tab at agiletix.com
 - We automatically add two (2) days shipping to your location and two (2) days return shipping for a total of four (4) days. Rental rates are not charged for shipping days.
 - Any ticket stock used that is not Agile branded ticket stock will need to be configured before use. Schedule time with your support agent at least (1) week before the shipping date for configuration.
 - Inventory is limited. Hardware is reserved on a first come first serve basis.
 - All orders need to be submitted at least two weeks before the day they are needed.
 - Any changes to the rental agreement must be submitted and authorized two week before the planned shipping day.

Rental Payment Information

- Reservations will be confirmed within 48 hours. An equipment rental agreement will be attached in the confirmation email. Once a signed rental agreement is returned you will receive an invoice.
 - General Liability insurance is required before shipping occurs. Attach certificate of insurance with returned rental agreement.
 - Rental shipping and handling fees are not included. Your invoice will be based on actual shipping costs. (estimate provided upon request.)
 - Acceptable form of payment include Check, MasterCard, Visa
- Customers will be charged for all days that the equipment is in use.

Festival in a Box

Details:

- Package includes laptop (pre-configured to your organization), cables and power supplies, receipt printer, credit card swipe, and a USB mouse.
- For optimal performance, each FIB module should have a dedicated 700KB hardline internet connection (not Wi-Fi).
- One bundle of Agile Ticketing Solutions Logo Stock or 2 rolls of plain receipt paper will be included in each Festival in a Box that you rent. You may purchase additional ticket stock.
- Agile hardware support will need to be informed if other ticket stock is used with a Festival in a Box. Please get together with your support agent at least 1 week before your scheduled shipping date.
- A FIB module can't be broken up into individual parts for rental.
- Advanced reservation is required. First come first serve
- The FIB rental period is a minimum rental of five (5) days.
